

SCANNER RENTAL PROGRAM

The Visioneer Scanner Rental program is designed for clients who prefer project specific short term monthly scanner rental.

Experience goes a long way, and at Visioneer we know scanners and have been successful in the digital imaging industry for over 20 years. We have helped many different companies with specific environments and infrastructures by quickly analyzing and setting them up with the exact solution for their specific need. So renting from Visioneer not only provides a high-quality reliable Xerox® DocuMate® scanner, but also real-world experience, tech support and customer service with the know-how and expertise to set it all up and get the job going.

Visioneer rents select Xerox® DocuMate® scanner models (see full list on page 2), which have a proven record of high-performance, offering business users speed, quality, advanced features and ease-of-use with the exclusive Visioneer OneTouch technology and Acuity image enhancement software. Whether you need to scan 10,000 documents or 10 million documents on A3 size paper, the Xerox® DocuMate® scanners are designed to handle any job, plus save you time and money in the process.
