

Scan and organize your documents on the road or in the office.

The mobile workforce operating in today's fast-moving business world has to stay on top of it all, no matter where they are. With the **Patriot™ P15**, information from important business documents can be scanned into a repository and organized into searchable, editable data.

The **Patriot™ P15** scanner is a powerful portable scanning solution that is perfect for use in various industries and company workflows, from legal to healthcare to insurance to finance—practically any industry. Its software package was designed to efficiently unlock that business-critical information trapped in paper documents.

The **Patriot™ P15** is compatible with both PC and Mac®, and can be powered using two USB cables or a single USB cable and a wall plug (provided)*. It is enabled by TWAIN™ or ISIS® drivers, and includes a powerful software

suite that delivers easy image enhancement, Optical Character Recognition (OCR), organization, and intelligent search. The redesigned Visioneer OneTouch interface is integrated with the P15 display, showing the preset details about the eight different scanner configurations on the high-resolution LCD display.

Don't be fooled by the small footprint of the compact P15. It is a powerful desktop scanner that reaches speeds of up to 20 pages per minute (40 images per minute in duplex), and has a competitive daily duty cycle of 1,000 sheets. For additional convenience, its multi-page configurable ADF can be set up so that a document fed from the front will exit from either the back or the front of the scanner.

This versatile compact scanner can handle documents up to 8.5" (216 mm) wide and 118" (2997 mm) long, and convert it to PDF, JPG or other popular file formats.

Approved for official US Government use

EPEAT™ Registered

Visioneer® Patriot P15 Scanner

VISIONEER INTELLIGENT SOFTWARE PLATFORM FOR WINDOWS

OneTouch

An easy-to-use scanner workflow application that performs all steps in a complex scanning operation at the touch of a button.

Acuity

Enables you to improve the visual clarity of scans. Acuity uses over 25 advanced algorithms to intelligently correct documents.

Capture SE

Flexible, powerful batch scanning solution that can split scans into separate files, create indexes, read barcodes and extract data.

DriverPLUS

Provides an impressive array of settings to enable precise scan customization with a simple-to-use interface and helpful tool tips.

Organizer AI

Manages your files with fast search, conversion, file analysis and cleanup, tagging, PDF editor and automated file classification.

ADDITIONAL SOFTWARE & DRIVERS

ABBYY® Software: ABBYY FineReader OCR Software (Mac and PC), ABBYY Business Card Reader (PC)

Scanner Drivers for Windows: TWAIN™, ISIS, WIA

Mac® Software: TWAIN Mac driver, ICA Mac driver, Visioneer Scan Utility for Mac

PATRIOT P15 SCANNER SPECIFICATIONS

Part Number	PP15-U
ADF Scan Speed (color or B&W) (Powered by AC Power)	15 ppm / 30 ipm @ 300 dpi 20 ppm / 40 ipm @ 200 dpi
Scan Speed through front feed (Powered by AC Power)	4 seconds per page @ 300 dpi 3 seconds per page @ 200 dpi
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit B&W
Scanning Media Supported	Paper, plastic ID cards, photos
Imaging Sensor	CIS (contact image sensor)
Light Source	LED (light emitting diode) instant on
Scan Method	ADF or Front Feed
Interface	USB 2.0
Security	Kensington Security Slot
Certifications	ENERGY STAR, USB, RoHS, CE, CB, WEEE, Mexico Energy, FCC Class B
ADF Capacity	20 sheets
ADF Paper Thickness Range	16 - 32 lbs. (60 ~ 120 g/m ²)
Maximum Document Size	8.5" x 118" (216 x 2997 mm) @ 300 dpi
Minimum Document Size	2" x 2.25" (51 x 57 mm)
Dimensions (W x D x H)	(Trays Extended) 11.78" x 10" x 10.05" (299 x 254 x 255 mm) (Trays Collapsed) 11.78" x 4.1" x 2.93" (299 x 104 x 74 mm)
Daily Duty Cycle	1,000 pages per day
Weight	3.3 lbs (1.5 kg)
Supported Operating Systems	Windows 10, 8, 7; macOS 10.14 – 10.15

Box Contents: Visioneer Patriot P15 Scanner, Micro USB Cable, USB Power Cable, AC Adaptor, Spare ADF pad, Rear Feed Guide, Quick Install Card, DVD with user's manual software and drivers
