

Simple, speedy, mobile-ready printing.

Introducing the Visioneer® Rabbit™ PC30dwn Printer/Copier. From Visioneer Inc., world-class developer of intelligent document capture solutions, the Rabbit™ PC30 is all about making the print experience quick and easy on any device, at home or in the office. For education, legal, financial services, manufacturing and government settings, the Rabbit™ PC30 provides versatility and value.

The monochrome laser Rabbit™ PC30 features LED print head technology with automatic double-sided (duplex) printing capability. With print speeds up to 30 pages per minute, Rabbit™ PC30 supports USB 2.0, Gigabit Ethernet and WiFi connectivity options for pain-free sharing. A 250-sheet input tray keeps you productive, while a sheet-fed manual tray handles special print jobs. The included convenience copier module makes document, card stock and plastic card copying a snap.

We know creativity comes in all shapes and sizes – and so do the tools we use to create. Your Rabbit™ PC30 printer is compatible with Windows®, Mac® and Linux® Ubuntu operat-

ing systems, and mobile-ready for use with Mopria® Print Service and Apple® AirPrint. Full-version ABBYY® FineReader® PDF software is also included with your Rabbit™ PC30, to create, edit, secure-sign, and search PDFs.

It is your creativity and productivity that matters most. Whether you're a student or educator, work from home or office or both, the Rabbit™ PC30 provides the versatility and ease-of-use you need. At Visioneer, we make the sharing part simple, so you can **#CreateAndGo**.

Included convenience copier module quickly copies documents, postcards, ID cards and more.
