The Visioneer Patriot PH80f high-speed combo document scanner is a versatile and efficient scanning solution designed to handle your large and small jobs – and large and small documents – with ease. Featuring A3-size document support via both its automatic document feeder (ADF) and 11.7" x 17" flatbed, the Patriot PH80f offers impressive full-color ADF scanning speeds of up to 80 pages per minute (160 images per minute) at 300 dpi. Combining these speeds with a large 100-sheet ADF and Visioneer's ultrasonic double-feed detection, the Patriot PH80f ensures productivity, accuracy and flexibility for your document scanning and archiving needs. The Patriot PH80f is designed to be workgroup-friendly, providing simple

walk-up functionality thanks to Visioneer OneTouch™, one of the foundational pieces of the included Visioneer Intelligent Software Platform for Windows. From its 1.8" LED display (or via the Visioneer OneTouch desktop application), Patriot PH80f users can quickly select their preferred format, resolution, destination and other features via one of the nine (9) Visioneer OneTouch scanning presets, or by creating their own fully customizable scanning workflows. Visioneer's technology platform also includes Visioneer Acuity's 25-point onboard image processing engine, delivering better quality scans at full speed, while Visioneer Capture SE handles batch scanning, editing, as well as barcode reading and data extraction. Visioneer Organizer AI automates

classification of common files and tagging for smarter search, and a full-version of ABBYY® FineReader® PDF takes intelligent archiving to the next level with searchable PDFs, comprehensive multilingual Optical Character Recognition (OCR), deep PDF editing, file conversion and security. While the Visioneer Patriot PH80f already delivers class-leading value, your investment is further backed by a robust Standard Manufacturer's Warranty, with extended coverage options available to suit your needs. 24/7 access to web resources, live technical phone support and innovative augmented reality support powered by CareAR® Assist ensure your scanning experience and your team's productivity is never compromised.
